

Weight Loss Institute of New Jersey  
at Monmouth Medical Center

## Patient Support Group

Meets the Fourth Thursday of Each Month • Monmouth Medical Center • Stanley 214

The professionally run support group meets from 7 to 9 p.m. for individuals who have undergone or are considering surgical weight loss procedures. Discussions are led by the Weight Loss Institute of New Jersey at Monmouth Medical Center's multidisciplinary team members, including the program director, registered dietitian and clinical psychologist.

For those considering a bariatric procedure, the most up-to-date information on gastric bypass surgery, gastric banding and sleeve gastrectomy is available.
